

WORLD WOMEN LEADERS
DÜNYA KADIN YÖNETİCİLER

The cultural level of the women shows the level in the civilization of a nation. I wanted to learn the cultural levels of the women.

Bir ulusun kültür seviyesi o ulusun kadınlarının kültür seviyesi kadardır. Bir taş duvarda duvarın mukavemetinin harcın mukavemeti kadar olduğu gibi.

Çalışma matematiksel çalışmadır. Onlar hakkındaki bilgiler çeşitli kaynaklar ve internetten alınmış tarafımızdan dosyalanmıştır.

Sizler de bu yollara başvurabilirsiniz.

Bu küçük dosya uzun zaman içinde derlenmiş birer anahtar kabul edilebilir.

Bu araştırma da en büyük kaynaklar İngilizce dilindedir. İsimler buna uygun alınmıştır
